Signature

¹ Giving your personal email address is mandatory. It will not be published

² Please submit your mobile number. We will send you SMS containing the most recent changes in your timetable during CeBIT.

³ Please describe your search profile in one sentence, e.g. "Multi-OS platform mobile solutions".

⁴ If answered with "no", your data will not be displayed and you have to request meetings with companies you wish to meet.

If answered with yes, your data will only be visible to Matchmaking registered CeBIT exhibitors. In that case those exhibitors will be able to view your search profile, check whether they can meet your requirements and may actively approach you.
